Electronic Components Supply Chain
Solutions

ABOUT US

SharpBuy is a technology-based solution platform for Electronic Component Supply Chain in Electronics Manufacturing Sector. SharpBuy specializes into **Excess & Obsolete Inventory Liquidation, Inventory Management, BOM Optimization of Electronic Components.**

SharpBuy helps to Trade with its extensive database of EC Suppliers & its virtual inventory with 100% anti-counterfeit Guarantee on all of its Shipments.

All of our stock is sourced from **large OEM and EMS clients**, giving our customers unparalleled levels of confidence. With a focus on customer satisfaction, we aim to provide an exceptional level of service at every step of the purchase/selling process.

At Sharpbuy, we have experience of **20+ years in EMS and a global network in over 10+ countries.** We ensure the maximum value to our Clients by making your Supply Chain more efficient and robust.

Increases your ROI

10 X

by Excess Inventory Liquidation

Save Up to

50%

by BOM Optimization for
New parts

OUR SERVICES

ADVANCED ANALYTICS PLATFORM

At Sharpbuy, we help the Electronic manufacturers to streamline the Electronic Components Supply Chain Systems through AI and Advanced Data Analytics

EXCESS INVENTORY

We help EMS/OEM to liquidate their Excess & Obsolete Inventory.

BOM OPTIMIZE TOOL

Get your BOM Optimized with our BOM Optimization Tool to reduce costs & increase profits.

TECH PLATFORM

Get AI-based Tech Reports to make your electronic component supply chain efficient.

How we do it?

Easy **SELL** Process

- ✓ **Submit Excess Inventory**
Just submit your list of excess stock/obsolete stock according to our template.
- ✓ **Seller & Stock Verification**
Our relationship manager will verify seller profile & stock
- ✓ **Get E&O Inventory Listed**
Once verified we will list your E/O inventory in our virtual warehouse for Sale.
- ✓ **Get Maximum Returns**
Our AI based matching tool helps us match your E&O components to buyers worldwide

Easy **BOM** Optimisation

- ✓ **Upload your BOM**
Submit your bill of materials for your products or submit your high value components
- ✓ **Run Advanced Analytics**
BOM is analysed by SharpBuy Engine
- ✓ **BOM Report**
Understand redundancies, BOM risks, optimisation options, cost efficient alternatives
- ✓ **Get Maximum Savings**
Partner with us to realise savings and reduce BOM risk

Easy **INVENTORY** Health

- ✓ **Upload Inventory**
Submit your complete component inventory including IN-Out movement and value
- ✓ **Health Checkup**
Run analysis with our proprietary software
- ✓ **Generate Report**
Find NPN, PLC, ageing and Risk report to understand overall inventory health
- ✓ **Proactive management**
Use Report to proactively identify oncoming risks and take informed decisions

Why Choose Us?

End-to-End Supply Chain Solutions

Our platform helps EMS to get streamlined solutions for their Supply Chains

Hassle-Free Tech Solution

One-stop solution for EMS - From Sourcing till Logistics - We cover it all.

Verified Sellers & Stocks

We only deal in 100% Counterfeit Free - E&O Inventory.

Safe Payment Options

Safe and secure payment options for a hassle-free experience
